

CASE STUDY · #02-CO

Casa Olivar

Villa among olive groves with a bookmatched Nero Vein fireplace, a 3.2 m kitchen island in 20 mm slab and Basalto Gris terraces.

TYPE	LOCATION
Private residences	Sierra de Alcor, Andalusia
YEAR	PROJECT FIGURES
2023	2.900 m² Large-format slabs

The house is organised around a double-height living room whose fireplace, clad with two mirror-matched Nero Vein slabs, articulates the space. The golden vein runs uninterrupted for 5.6 m.

The kitchen, open to the courtyard, incorporates a monolithic island in 20 mm Nero Vein slab with integrated sink and mitred edge.

The terraces and the pool edge were paved with 20 mm Basalto Gris on pedestals, extending the interior flooring towards the olive grove.
