

CASE STUDY · #06-GD

Galería Duna

Showroom for an interior design studio with live samples of the four collections, Quadra washbasins in the client area and Linea accessories in matte black.

TYPE	LOCATION
Commercial & public	Puerto Albar, Castellón
YEAR	PROJECT FIGURES
2025	860 m ² Four themed rooms

The space works as an inhabitable catalogue: each room is clad with a VENUS collection and furnished with its sanitary pieces, so that the client experiences the material at real scale.

The Caliza room is paved with Dune Stone and Caldera Ivory; the Sombra room with Basalto Gris and a backlit Nero Vein wall.

The client area has Quadra washbasins in stone grey with Linea accessories in matte black, and the meeting room a table in Tierra Ocre slab.
