INSTALLATION

Mounting	Wall, concealed bracket with levelling
Coating	12 mm PVD aluminium frame

Indicative reference values (demonstration data).

INSTALLATION

- Concealed fixing with expansion anchors on ceramic slab: drill with a wet diamond bit.
- Check horizontality with a spirit level before sealing.

CARE & MAINTENANCE

- Clean only with water and a soft cloth; dry after each use in hard-water areas.
- Do not use acidic, abrasive or concentrated descaling products on the PVD finish.
- Brushed bronze develops a natural patina that is part of the product's character.
